

Human Trafficking Prevention:

Prevention:

FOUR QUICK STEPS TO AVOID FALLING VICTIM TO HUMAN TRAFFICKING

STEP 01

Educate Yourself

Learn the signs, traps, and preventative steps of human trafficking. Remember Knowledge is power!

STEP 02

Be Aware of Your Surroundings

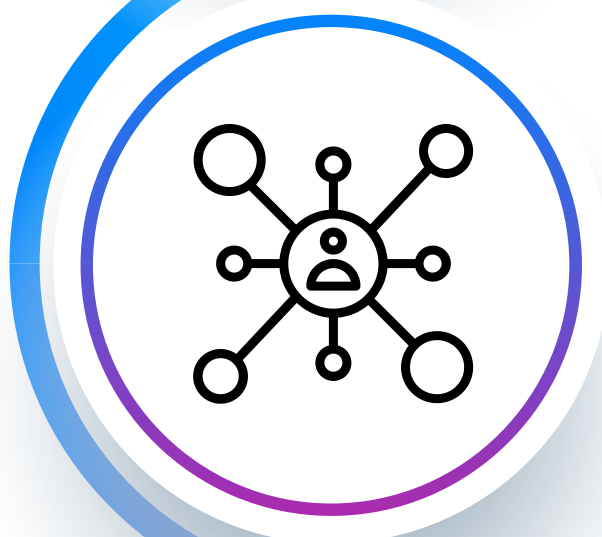

Keep vigilant of you're surroundings; especially at night, at events, or in places of transit.

STEP 03

Stay Connected

Let your trusted friends or family know you're safe. Check-in and let them know when you're in transit and who you are going to meet up with.

STEP 04

Trust Your Instincts

Trust and honor what your instincts are telling you about a person or situation. It's perfectly ok to leave if you feel something is off or unsafe.
